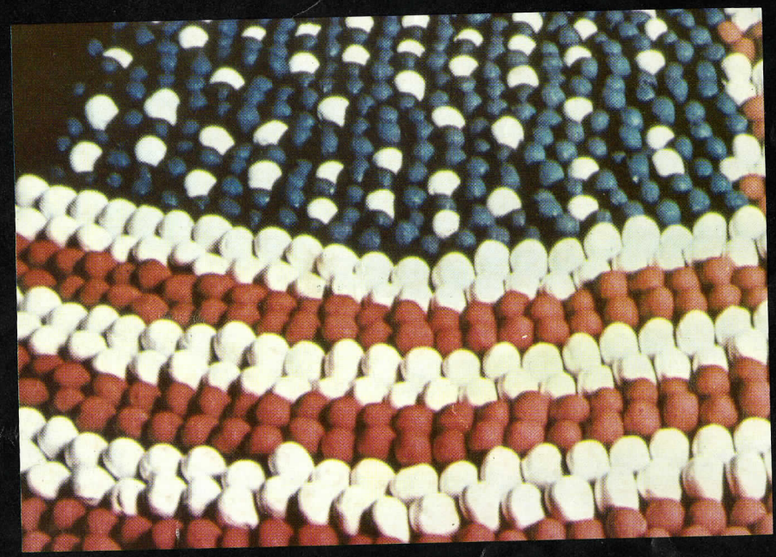
PANTHER 1976



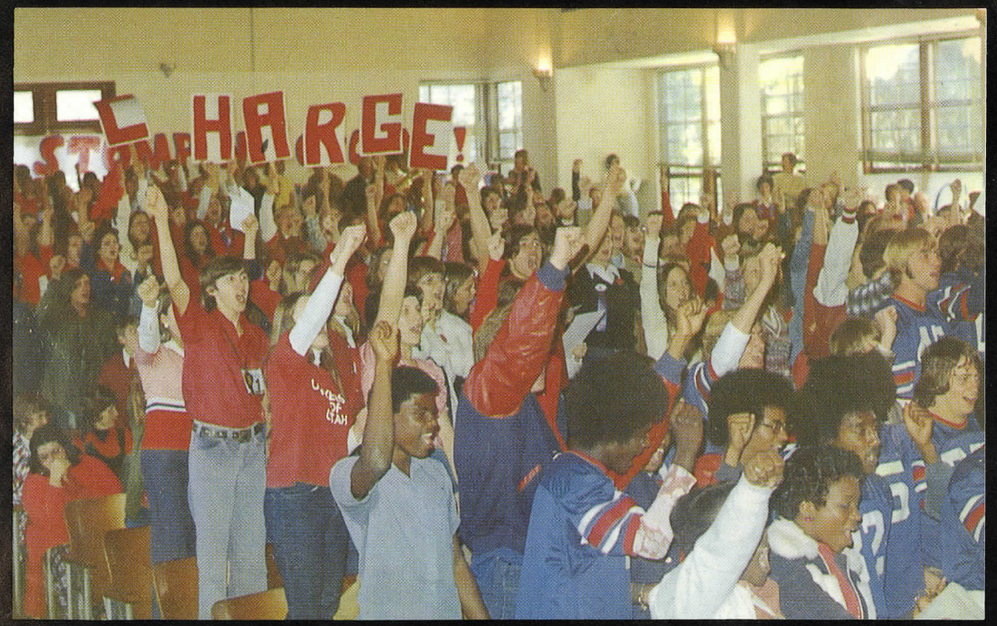
Pascagoula High School, Pascagoula, Mississippi

I look out on this land,
America,
And my mind begins to dream.

I visualize a yesterday
Where men fought to be free.
Through my dreams I realize
Although 200 years have passed
Still we, too, are fighting for
freedom.

Freedom to be ourselves
Without restraint,

Freedom to speak our minds
Uncensored,



Freedom to walk
the path we choose,

Freedom to live our lives
in peace.

The past
was filled
with courage,

With boldness,
and with
power.

Yet we must turn from the past,
For we are a part of now.

To assure ourselves
The blessings of
Freedom,
We must strengthen
Ourselves for
The future.

We must stand
Ready to face
Tomorrow's trials
Without fear
Or meekness.

They were the
heroes of
yesterday,

We are the
hope of
tomorrow.

Our forefathers fought,
And were rewarded freedom,
We must prepare ourselves
for battle;

For only after we achieve victory
In the revolution of our minds
Shall we, too, obtain liberty,
And experience the joy
Of true freedom!

In the Panther's second game, Porter tucked the ball twice for two touchdowns. Toups kicked for the extra points.

The defense was exceptional. In the closing moments of the game, Paul Albert and Johnny Olsen, together, made an outstanding defensive play, blocking an attempted Laurel touchdown pass in the end zone. This broke up the threatening Tornadoes and assured the Panthers their second victory, 14-13.

The Panthers fell short of the Hattiesburg Tigers by a score of, 6-3.

In the opening quarter, star running back, "Rooster" Jones was injured. Even though Jones was hurt, the Panthers moved the ball effectively. However, every threat made by the Panthers was halted by mistakes.

On the third series of plays, Goula moved the ball to the twenty-three yard line where Toups booted a forty yard field goal.

Panthers fumbled a punt reception and a punt snap, both at the mouth of the goal. South Natchez scored both times after Goula's mistakes.

The Panthers came back the second half ready for action. Porter began throwing the ball. He completed twelve of sixteen attempts, for 128 yds. and a touchdown. Conerly ran in for the only other Panther score.

The Panthers fought hard during the second half, yet their great comeback was too late in the game. South Natchez claimed the victory 28-13.

East Edges Goula

"We played good enough to win, we just didn't, though," said Coach Woitt, concerning East's victory over the Panthers.

East scored first, on a thirty yard touchdown drive. Goula completely dominated the second and third quarters, demonstrating all facets of the 'classy' offense.

Jones scored first for the Panthers on a burst of five yards. Jones scored again on a forty yard run where he received a pitchout from quarterback Porter. Toups was successful on both PAT's.

The Panther domination over the Vikings did not last long. When Victory seemed certain, the defense had two major letdowns which resulted in two Viking scores. Final score was East 21, 'Goula 14.

Battle of the Cats

The Pascagoula Panthers demolished arch-rival Moss Point in an astounding 35-0 victory.

Running back "Rooster" Jones rushed for 140 yards while scoring three touchdowns.

Pascagoula gained immediate control of the game and Moss Point could not defend against the Panther momentum.

In the opening quarter, the Panthers accumulated a 15-play, 80 yard drive ending with a three yard burst into the end zone by fullback Ricky Connerly. The PAT was good and the first quarter ended 7-0.

The second Panther TD came on a 10 yard pass by quarterback Clifton Porter to flanker Larry Taylor. Toups again booted the PAT. The score at the end of the half was 14-0.

In the second half Jones skirted off right tackle to score the third touchdown. In the final period "Rooster" took a fake field goal pitch from Guice Smith and scampered into the end zone for his second TD. On his final run, Jones escaped the grip of four tacklers and outran the entire Tiger defense for a 55 yard TD.

The final score: 35-0.

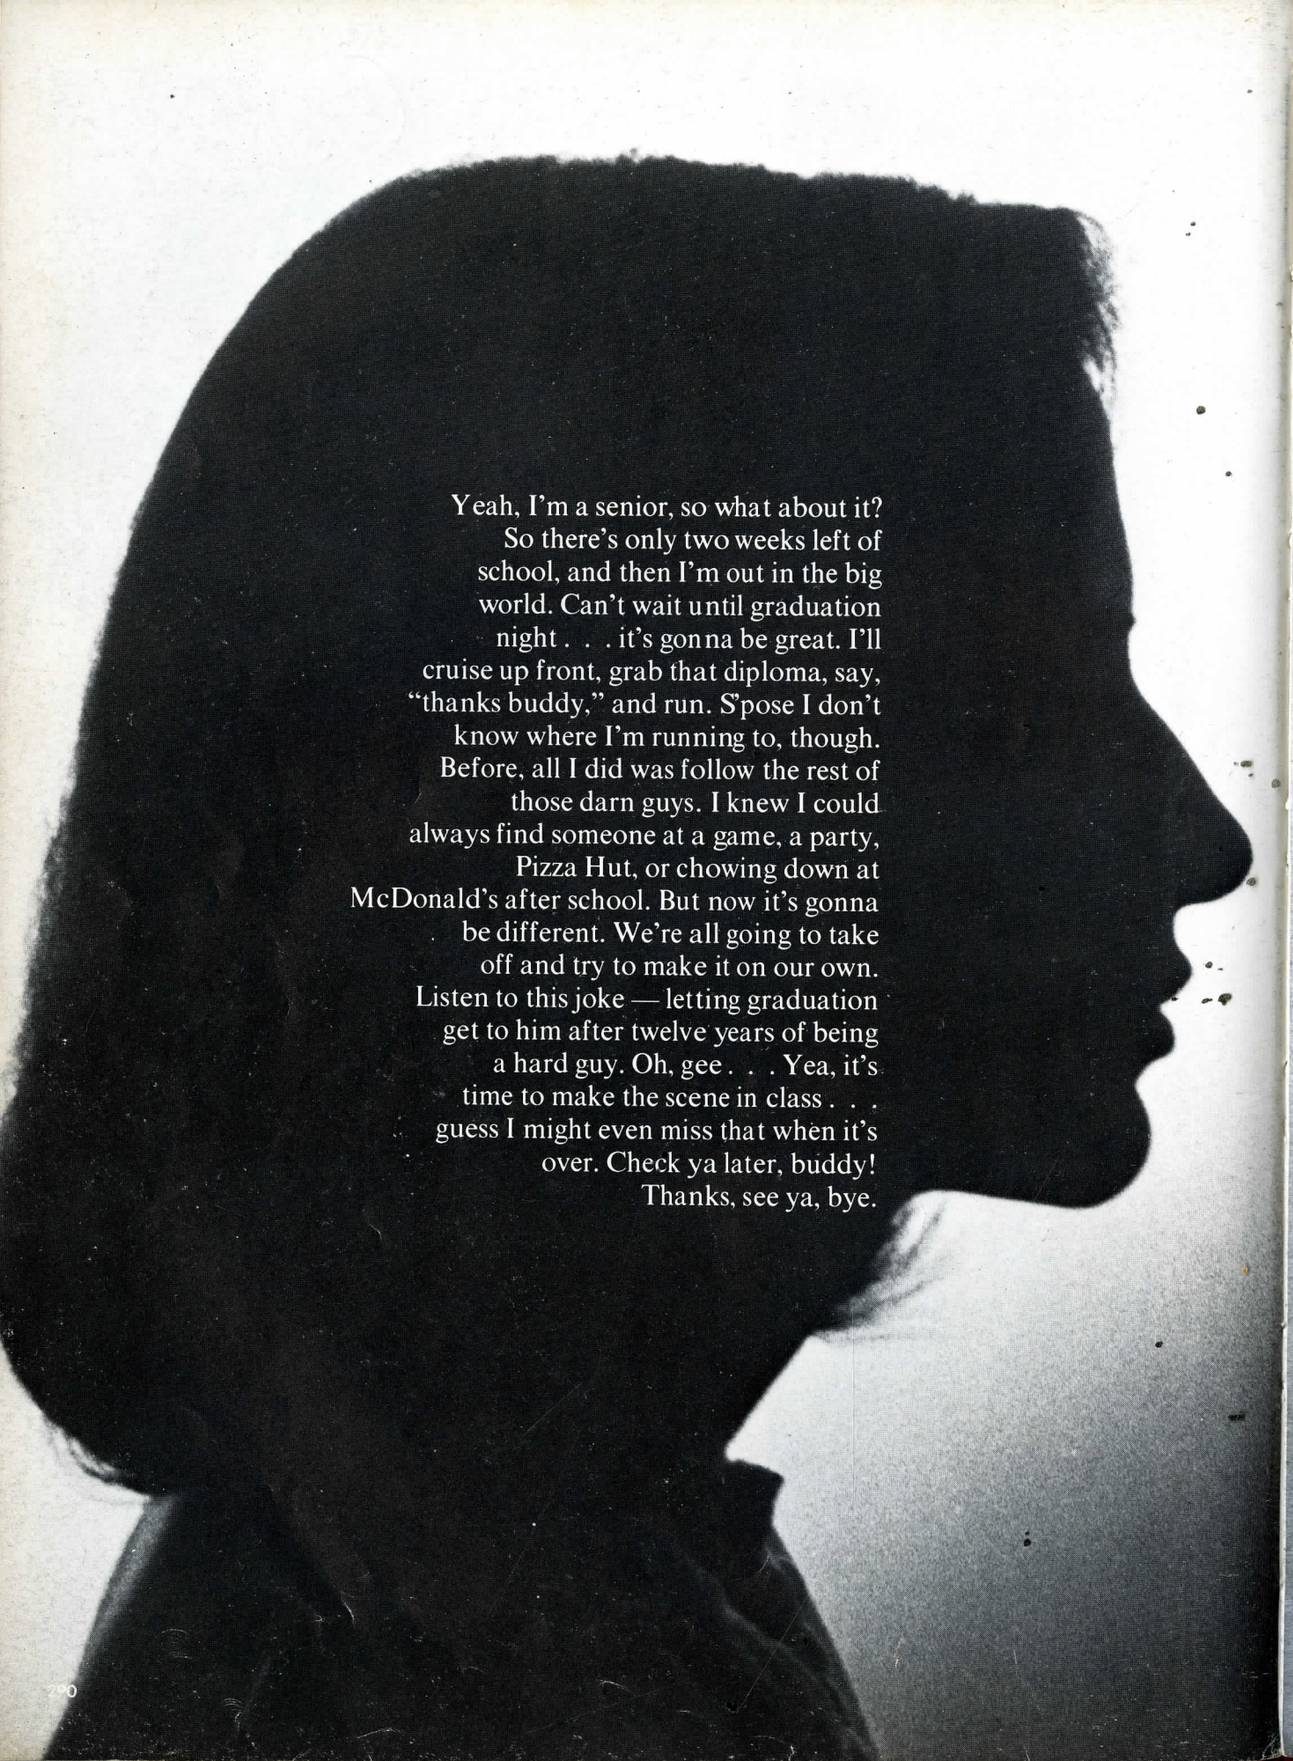
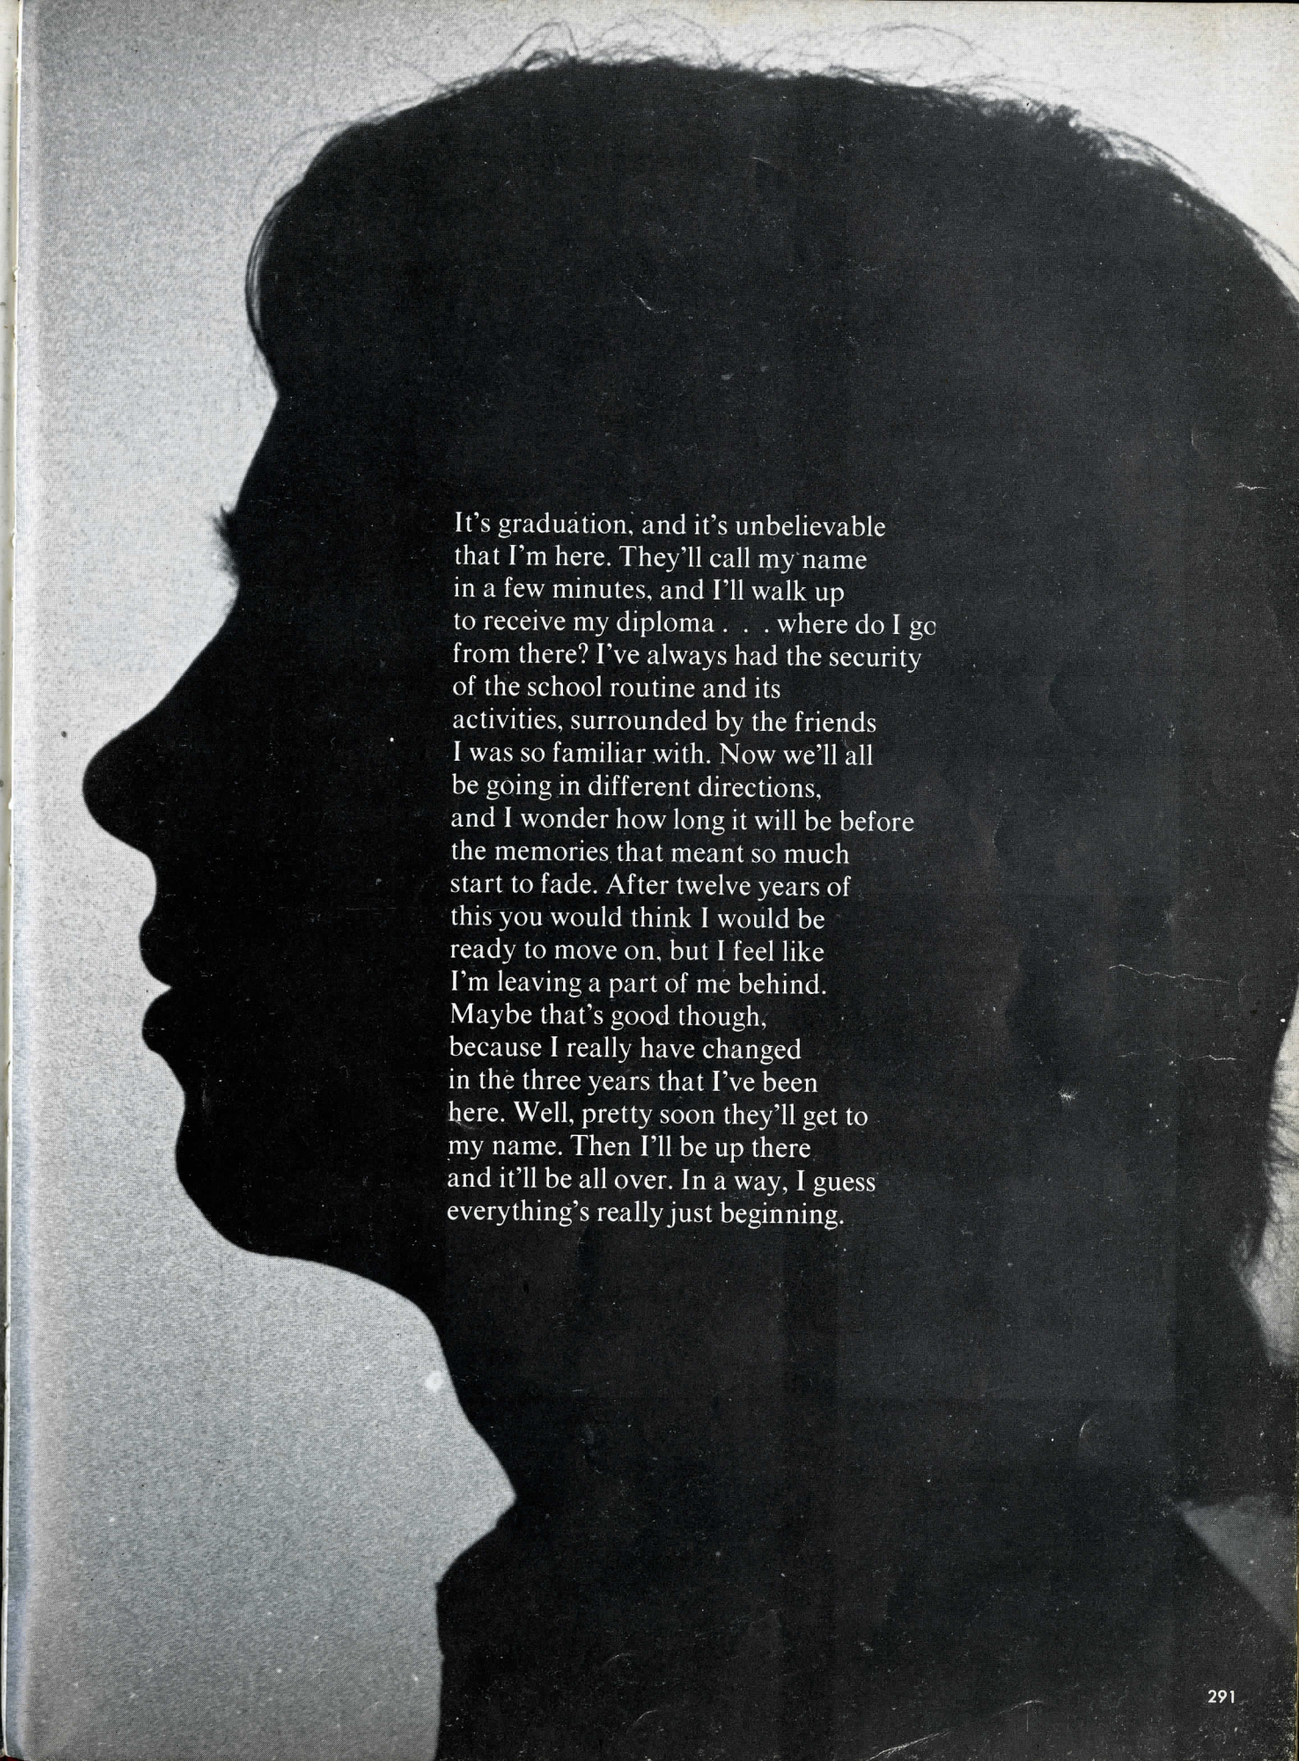
JOYCE ANN CARMACK



Yeah, I'm a senior, so what about it? So there's only two weeks left of school, and then I'm out in the big world. Can't wait until graduation night . . . it's gonna be great. I'll cruise up front, grab that diploma, say, "thanks buddy," and run. S'pose I don't know where I'm running to, though. Before, all I did was follow the rest of those darn guys. I knew I could always find someone at a game, a party, Pizza Hut, or chowing down at McDonald's after school. But now it's gonna be different. We're all going to take off and try to make it on our own. Listen to this joke — letting graduation get to him after twelve years of being a hard guy. Oh, gee . . . Yea, it's time to make the scene in class . . . guess I might even miss that when it's over. Check ya later, buddy! Thanks, see ya, bye.



It's graduation, and it's unbelievable that I'm here. They'll call my name in a few minutes, and I'll walk up to receive my diploma . . . where do I go from there? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After twelve years of this you would think I would be ready to move on, but I feel like I'm leaving a part of me behind. Maybe that's good though, because I really have changed in the three years that I've been here. Well, pretty soon they'll get to my name. Then I'll be up there and it'll be all over. In a way, I guess everything's really just beginning.

Practice. . .

Practice. . .

Practice. . .

Class Song

Now looking back at all we had planned,
We've let so many dreams just slip through
our hands.
Why must we wait so long before we see?
How sad the answers to those questions can be.

Do you know where you're going to?
Do you like the things in life that are
showing you?
Where are you going to?
Do you know?

OPTIMISM

Talk happiness. The world is sad enough
Without your woes. No path is wholly rough;
Look for the places that are smooth and clear,
And speak of those, to rest the weary ear
Of earth, so hurt by one continuous strain
Of human discontent and grief and pain.

Talk faith. The world is better off without
Your uttered ignorance and morbid doubt.
If you have faith in God, or man, or self,
Say so. If not, push back upon the shelf
Of silence all your thoughts, till faith shall come;
No one will grieve because your lips are dumb.

Talk health. The dreary, never-changing tale
Of mortal maladies is worn and stale.
You cannot charm, or interest, or please
By harping on that minor chord, disease.
Say you are well, or all is well with you,
And God shall hear your words and make them true.
